

Loving All Animals

FOSTER PARENT AGREEMENT

(To be signed upon completion of In-House Foster Counselor Interview)

- ♥ I understand that Loving All Animals cannot guarantee the temperament of any Foster Pet. While we make every attempt to have history on our animals, we do not always have access to past records. Loving All Animals will provide for a health check, but sometimes this is not possible prior to placement in the Foster Home. Family pets should be current on all shots, and, when possible, Foster cats should be isolated for a minimum of 7 days, for the protection of all animals. I agree to be fully responsible for the safety and well-being of the Foster Pet while in my care.
- ♥ I agree that accidental animal bites or other injuries to humans and other animals may occur, and agree to hold harmless and indemnify, and protect Loving All Animals from any claim or suit filed by someone as a result of such incident.
- ♥ I understand that Loving All Animals is not responsible for any property damage that may occur to mine or others property by Foster Pet while the Foster Pet is in my care, and agree to hold harmless and indemnify, and protect Loving All Animals from any claim or suit filed by someone as a result of such incident.
- ♥ I agree that I will notify Loving All Animals and obtain approval for any medical or other care or treatment or Foster Pet BEFORE taking the Foster Pet to a Veterinary Clinic and understand that expenses not approved by Loving All Animals may not be reimbursed.
- ♥ I agree that I will not alter (e.g. declaw, crop ears, crop tails, etc.) the Foster Pet while in my care, without prior approval from Loving All Animals. I will provide basic grooming and brushing to keep my Foster Pet presentable for possible adoptions.
- ♥ I agree that I will provide a safe, loving and humane home for the Foster Pet with adequate food and water at all times.
- ♥ I agree that I will provide socialization, training and exercise for the Foster Pet while in my care.
- ♥ I agree to provide Loving All Animals with one week's notification in the event that I plan a trip and need to have Foster Pet placed in another home.
- ♥ I agree to notify Loving All Animals if I am unable to continue care of placed Foster Pet and return Foster Pet to Loving All Animals and will not attempt to place Foster Pet in another person's care.
- ♥ I agree that I will return placed Foster Pet to Loving All Animals by date specified or when requested by an authorized representative of Loving All Animals.
- ♥ I agree to make Foster Pet available for all adoption events as requested by Loving All Animals. I will encourage interest in adoption of my Foster Pet, but agree that all adoptions will go through Loving All Animals.
- ♥ I agree that if I am interested in adopting Foster Pet, that I will notify Loving All Animals to complete the adoption process and pay the adoption donation. (\$300 for dogs, \$75-\$100 for cats.)
- ♥ I agree to allow follow-up visits from Loving All Animal Foster Counselors while animals are in my foster care.
- ♥ I agree to provide Loving All Animals with "report cards" and pictures on Foster Pets in my Foster Care and will immediately notify Loving All Animals of any abnormal behavior of Foster Pet.
- ♥ I agree to ask for help or support when needed while animals are in my foster care

- ♥ No foster animal shall remain with a foster parent for more than 3 months unless approved by Foster Program Director.
- ♥ Animals in a "foster to adopt" status, must have adoption finalized within 1 week of animal being ready for adoption (vaccinations, spay/neuter, healthy pet status) unless approved in writing by the Foster Program Director for an extended period.

Loving All Animals will provide: All necessary veterinary/medical needs, food and supplies while the pet is under your care (unless of course you'd like to provide for them on your own) along with support and camaraderie of our Loving All Animals Foster Parent Team.
